DARKEN GRAY HAIR LOOK YOUNG, PRETTY
Sage Tea and Sulphur Darkens So Naturally That Nobody Can Tell.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and life to the hair when faded, and all gray hairs also disappear. Nothing so easy and so safe as falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Worth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 25 cents.
Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application of two, your hair becomes beautifully dark, thick and glossy.

ISLETA INDIANS TO MEET RED SOX NEXT SUNDAY

Lively Redskins Will Perform Against Crack Nylon Team at Hopewell Field. Game Starts at 2 o'clock.

The Isleta Indians will be seen in action here Sunday afternoon. They have been booked to meet Tom Nylon's Sox at Hopewell Field. The game will start at 2 o'clock. The Indians—real Redskins—are fast and energetic players. There is no stoical calm about them. They ram-page, rant and rave, and on provocation will give an excellent imitation of a bunch of Comanches in exuberant spirits. They play excellent ball, and the fast Sox should sparkle in the duel with the visitors.

HOT ON THE TRAIL OF TEN THOUSAND CITY DOLLARS

Alderman Skinner Determined to Give the Orphan Saving, Officially Disowned by the Mayor, Some Municipal Standing.

Earnest effort is to be made to run to its fair the \$10,000 which Mayor Haight would like to save in city expenditures, but which he doesn't want the people to think he is trying to save, and which he is afraid he can't save.

It will be remembered that Councilman Skinner brought the impressive \$10,000-a-year into view by stating at this week's council meeting that a business man told him the city could save that sum. Mayor Haight promptly called attention to the fact that the business man got his information from the city clerk's office.

Then the mayor became disturbed. The magnitude of the sum upset him. He trembled at the mention of \$10,000, and finally disowned ten-thousand-a-year entirely. He said he hadn't been properly introduced to it, didn't know anything about it, and never expected to make its acquaintance.

Now Councilman Skinner is going to try and get the Business Man to give the poor little Ten Thousand some standing in municipal society. The business man made Mr. Skinner promise not to reveal his name when he first spoke of the Ten Thousand, and didn't go into details about the saving at all. Mr. Skinner says he will try to induce the Business Man to tell him just what his plan would be to save the city ten thousand a year.

If the Business Man discloses a plan that promises to reduce city expenditures \$10,000 yearly, the mayor will be welcome to use it. Mr. Skinner is actuated by an earnest desire to see the city's taxes and its burden of expense reduced. If there is any way to do it, and the prospect of accomplishing that gives him pleasurable feelings and doesn't affect the temperature of his feet at all.

RIGHT OF WAY FOR ROAD THROUGH TRIMBLE RANCH

The county road board at its meeting yesterday afternoon accepted a grant of right of way through the Trimble ranch from Trimble Wells, the owner, which will enable the board to run the new Tijeras canyon road in a straight line from the Jones place to the eastern end of the Trimble ranch. Mr. Wells gets \$75 for removing fences.

ROADS FROM SANTA FE ARE ALMOST IMPASSABLE

R. L. Dimmock of Kingman, Ariz., who motored to the Elks convention in Denver, arrived here last night and reported that the roads between Santa Fe and this city were almost impassable on account of the heavy rains. It took him almost nine hours to get here from the capital. He decided he had had enough of soft roads and shipped his car from here to Kingman, going on himself by train.
